

SHALE TRAIL PROJECT MANAGER

£30,000 pro rata + car allowance + 8% pension contribution
Part-time, 28 hours per week, fixed-term contract to October 2020

Closing date: Monday 29th April 2019, 5pm
Interview date: Wednesday 8 May 2019

On behalf of the partners, ELGT is looking to appoint a part-time Shale Trail Project Manager to oversee all aspects of development and delivery of the Shale Trail project in West Lothian.

The 'Shale Trail' is a new strategic project that will create an inspiring, enjoyable off-road trail of approximately 16 miles, linking some of West Lothian's key shale villages, sites and features. It will shine a new light on the rich oil shale heritage of West Lothian, enabling local people and visitors to engage with social, cultural, ecological and other aspects of local history specific to the industry, as well as enabling recreation and outdoor exercise.

We are looking for a suitably experienced and enthusiastic self-starter, with proven ability and a successful record of managing similar scale projects through partnership working.

To apply for the post, please complete and return an application form **by 5pm on Monday 29th April** to recruitment@elgt.org.uk. CVs will not be accepted.
