Dear Richard

ELGT VOLUNTEERING

A quick note to express sincere thanks on behalf of the Burness Paull Corporate team to you and your colleagues for providing us with the opportunity to support and volunteer for ELGT.

Our principal purpose in volunteering has been to seek to support ELGT and help the development of the Little France Park. It has also, however, been great for us. It has provided colleagues, who are not working together in the office as we used to do, the opportunity to meet up in a safe and socially distanced manner. The work has been great fun, and has undoubtedly been to the benefit of us as a team and to our wellbeing.

Kind regards

Yours sincerely
